

GENEALOGY SUPPLEMENT TO APPLICATION FOR MEMBERSHIP

*The Fairbanks House
Museum*

The Fairbanks Family in America (FFA) is a 501(c)3 non-profit organization organized for the purpose of owning, maintaining and preserving the Old House, gathering and studying collections related to the Fairbanks Family, and educating our membership and the general public about the history of the Fairbanks family. The Fairbanks House in Dedham, MA is the oldest surviving timber frame house in North America. Built ca. 1637 for Jonathan and Grace Fairbanks, the house was inhabited by eight generation of Fairbanks family members until 1904 when it was purchased by the Association. The House is open for public tours from May through October. The FFA is largely supported by the generosity of our members and patrons.

Family Memberships in the Fairbanks Family in America, Inc. (FFA) are available to any lineal or legal descendant of Jonathan & Grace Fayerbanke of Dedham, Massachusetts. Acceptance for family membership requires reasonable evidence that you are a descendant of Jonathan and Grace.

Please provide any genealogical information you have below or on a separate sheet.

Once family membership is confirmed you will receive a membership card. We encourage families to join us at our annual reunions held in the summer for an opportunity to meet members of your extended family.
